

Annual report of Career Guidance and Placement Cell (2019-20)

The career guidance and placement cell has been especially keen in conducting thought provoking and motivating programmes. Based on the instrumental guidance offered by the IQAC, the cell geared up its interaction with the faculty, student community and resource persons. The academic year witnessed the organization and conduct of nearly eleven fully fledged programmes. Besides the conduct of such programmes, the cell took initiatives in starting a coaching class on a regular basis from 3.15 pm to 4.30 pm. In the wake of the introduction of Kerala Administrative Service (KAS), the coaching class proved to be an additional boon to our college students. The cell realized its worth in maintaining a continuous relationship with the former students and their presence in such coaching programmes is sufficient proof. Following is an enlistment and descriptive report on each of the programmes conducted by the cell;

1. Walk in recruitment to banking and finance sector in collaboration with The Times of India Group

7. An Orientation class on “How to crack Kerala Administrative Service (KAS) exam 2020”

Kerala Administrative Service (KAS) is one of the most buzzworthy recruitment drives in Kerala. Through KAS eligible graduates will be able to start their career in the state government service at the Junior Time Scale positions and can further advance towards IAS within 08 years of service. Date of KAS 2020 Kerala Preliminary Exam was scheduled in February 2020. In view of this we arranged an orientation class for those students who are KAS aspirants as well as those who are appearing for the exam on February 2020. The class was handled by Sri. N. Rishy, Assistant Professor, Dept. of History, SN College, Kollam on 20/01/2020 at G2 Seminar Hall. Students were very much enthusiastic in attending the class where the resource person discussed about the various aspects of effectively preparing for the exam. He emphasised the importance of familiarizing with the complete syllabus and told the students that it requires utmost dedication and sincerity as well as seriousness on their part to get through this prestigious exam which covers a really vast syllabus. He later discussed about the exam pattern and the important sources to collect information to successfully face the prelims which is in the vicinity of one month.

8. Orientation Programme for tutors on Career Prospects at IIIC-Chavara

The Indian Institute of Infrastructure and Construction Kollam or IIIC-Kollam is a public institute of international standard situated at Chavara in Kollam, Kerala. The initiative has been undertaken by the Government of Kerala with the support of the Government of India. The main objective of the institute is to ensure maximum employment through linking the courses with employment wide industrial tie ups. They offer courses in emerging areas of skill development and entrepreneurship. In

order to make the students of our college aware of the various courses available at this institute, career guidance cell conducted an orientation programme for all tutors on 10/01/2020 with the aim of passing the information directly to the students more effectively and efficiently. Sri. Raghavan, Director-Administration, IIIC, Dr.Sunilkumar, Director-in charge, IIIC conducted the classes. They discussed in detail about the various skill-based courses offered by the IIIC, the eligibility criteria, fee structure, fee concession for eligible students, placement opportunities, and also discussed the possibility of signing an MoU with the college, regarding student exchange programme. All tutors carefully noted down the various aspects and promised to pass on the details to their respective students. Relevant photos along with brochure and course list applicable to students of our college are appended below.
