

Sree Narayana College, Kollam
Science Club Activities, 2019-2020
(Science for the People, and the People for Science)

By
 Dr.P Nikhil Chandra
 (Club Coordinator, Asst. Prof. of Chemistry)

Science club of SN College, Kollam is keen to improve the science and technology skills and knowledge of students, especially from science stream. So it is important to be providing a solid foundation based on scientific understanding and awareness. The **science club** made few activities even in the fear of Covid 19 pandemic to promote interest, understanding and knowledge in science activities among students along with developing interest in science and to develop skills in field work, research and project presentation.

The activities of the club were formally started with its official inauguration by Dr.R.Sunilkumar (Principal, SN College, Kollam) on 27/1/2020 at college G2 seminar hall. The program was presided by club coordinator Dr.P.Nikhil Chandra. Kumari. Sultana Feroz of Ist MSc Chemistry delivered welcome speech. Dr.Mini Syam, medical officer from Alapuzha was the chief guest of the programme. Sri.S.Sreejith (Asst.Prof. of Physics and Club member), Kumari Anjana Kartha (Ist MSc Botany), Sri.Adersh Johnson of III BSc Physics, delivered felicitation for the programme. Our club member Sri.Vignesh K (I BSc Mathematics) commented the vote of thanks. In the afternoon session, Dr.Mini Syam delivered a lecture on ‘**Science of Homeopathy**’, which was highly useful to the club members; they actively debated and cleared their facts and doubts regarding the topic. Mr. Adersh Johnson of II DC Physics and Kumari Sulthana Feroz of Ist MSc Chemistry were selected as club leaders for the year.

Inaguration of **SCIENCE Club** by Dr.R.Sunil Kumar, Principal, SN College, Kollam in the presence of club members and Chief guest

Science club is keen on disseminating science knowledge among students through competitions. Club celebrated *Science Day* by organizing programmes for college students. We conducted '*Intercollegiate science quiz*' competition in association with **Energy conservation club** of this college. About 23 teams participated in preliminary quiz round and only 5 teams qualified for second round. Students from SN College, Kollam bags 1st prize Jereem while second prize by students from TKM College, Kollam.

Quiz competition and prize distribution
