Club Coordinator,
Asst. Prof of Mathematics

Tourism club of S.N College, Kollam is keen to promote domestic tourism and to make the young people aware of tourism as a means of sustainable development.

As part of World Tourism Day -27th September, Tourism club conducted a tourism quiz programme for the students of our college on 27/9/2019 at library hall of mathematics department (computer lab). Five teams were attended this programme and team consisting of Kavya Anil (II P.G Mathematics) & Aleena B Raj (II P.G Mathematics) secured the I Prize.

Tourism club helps students of our college to arrange their study tour, give guidance for selecting locations and brief idea about the historical/cultural importance of that places .

The COVID – 19 pandemic has had a significant impact on tourism industry due to the resulting travel restrictions . India Govt. also issued orders regarding restrictions of travelling. So field visit planned this year postponed.
