

COUNSELLING CENTRE
SREE NARAYANA COLLEGE, KOLLAM
DETAILS OF COUNSELING SERVICES 2018-19

Report

The activities of the counseling centre during the academic year 2018-19 started on 5 June 2018 with counseling services. Students usually approach the centre for addressing their personal, family, academic, social and other adjustment problems. This year 11 students approached the centre for counseling services. The students were directed to the centre by their class tutors. The number of sessions required depends on the nature of their problems. The cases which need medical interventions were referred to nearby hospitals for proper management of their problems. In addition to the students of our college, 4 students studying nearby institutions also utilized the services of the centre
