

SREE NARAYANA COLLEGE, KOLLAM

GREEN PROTOCOL MONITORING COMMITTEE (GPMC)

Report 2019-2020

Meeting of on 07/08/2019

GPMC meeting was held on 07/08/19 at 3.pm at G2 seminar hall. The meeting decided the yearly (2019-2020) plan for the GPMC. The decisions were taken to elaborate the activities through awareness programmes, implementation of strict rules and regulations and monthly cleaning programmes. The committee was reconstituted with HOD's of all the departments and an another member from each department.

Distribution of Leaflets and Awareness Campaign 08/08/2019

Distribution of leaflets and awareness programmes were conducted via class tutors. Lunch packets and all plastics including plastic bottles were prohibited. Strict instructions were given to avoid all the types of plastics including the water bottles with steel bottles and lunch packets with lunch boxes. Littering of the campus especially with useless pens were controlled. In the leaderships of class Tutors and HOD's, the teachers visited the classes and the campus and the corridors were observed by the committee of teachers from all the departments during lunch time to avoid the littering of campus.

Campus cleaning (09/08/2019)

The monthly cleaning programme was started. The college campus was divided and given to each department for the cleaning and its regular maintenance. During the last hour class rooms and the entire campus were cleaned by the whole students in the leadership of the entire teachers and the non teaching staffs. Plastic items were separated and it was given to the Corporation for recycling.

This cleaning process was continued by the Department as their own conveniences. It was regularly monitored by the teachers and the student volunteers in charge of the GPMC.

All the programmes including the Onam and X'mas followed the rule of Green Protocol.

Renewal of the Protocol (14/01/2020)

The protocol was renewed with additional suggestions and it was read in all classes and the notices were exhibited in the classes, staff rooms and notice board instead of distributing it to each and every student to reduce the accumulation of waste as well as for the long lasting cognizance. A meeting of students' representatives from all the classes, the volunteers of NCC,

NSS and the College Union were conducted at the G2 Seminar hall, and ten students groups were formed for the regular monitoring of the classes and the campus as a whole.

Awareness Campaign by Haritha Kerala Mission (06/03/2020)

An awareness campaign by 'Haritha Kerala Mission' from Kollam Corporation was held in front of the college. All the students were assembled there and Smt. Kavitha and Smt. Kavya, the representatives from the Haritha Kerala Mission, Kollam, were the spokespersons on the occasion. The programmes was introduced by Dr. R Sunil Kumar, the College Principal and was wound up by Dr. B.T Sulekha, Green Protocol Officer of the college. The resource persons were reiterated the points regarding the littering of the classes and the campus.

Meeting of the GPMC (09/03/2020)

The meeting of the members of the GPMC, teachers and the students, were conducted for the planning of further programmes on the basis of the COVID 19 protocol.

Campus cleaning (10/03/2020)

The campus cleaning was arranged under COVID 19 protocol with the group action of teachers, non teaching staffs and the whole students.
