## ABOUT THE COLLEGE

Sree Narayana College, Kollam, is one of the pioneering centre of higher education in the state of Kerala, India. Affiliated to the University of Kerala, the college is managed by the corporate management of Sree Narayana Trusts, Kollam. The college was initiated in 1948, an year after the historic Indian independence. At a time when the luminary vision offered by education was considered expensive and unattainable, the founder of the college, Sri. R Sankar (1909- 1972), the former Chief Minister of Kerala, embarked on a visionary mission of the establishment of a higher educational institution of national repute, especially catering to the educational requirements of the poor and the downtrodden. The college is named after the internationally renowned philosopher, social reformer and mystic poet, Sree Narayana Guru (1854 – 1928), whose preaching on social equality, societal reformation and education brought out a tremendous impact upon the Kerala society, which might have otherwise been doomed with restrictions imposed by the miserable caste system or *Chaturvarnya*. Inspiring enough, the college upholds the preaching's of Guru, through its motto, "*One caste, One Religion, One God for Man.*" Taking hold of an awakening social consciousness for an imminent need of education, and the reformative and progressive moves of Sree Narayana Dharma Paripalana Yogam (SNDP), both propelled by the visionary thoughts of Sree Narayana Guru; aided Sri. R Sankar in the establishment of the institution by the side of the historic Cantonment Maidan at Kollam. The college initially offered only intermediate courses and was subsequently upgraded to a college offering Under Graduate programmes (in 1957) and finally Post Graduate programmes. Currently, the college is one of the largest of its kind in Kerala state, offering 18 Under Graduate and 14 Post Graduate Programmes; besides, nine of its departments offers research programmes. The college has recently initiated several utilitarian oriented Certificate Courses (both UGC approved and self-financed by the Departments of the college) to usher in and ensure more public participation in educational ventures. The college boasts of a rich tradition in upholding the liberalist and humanitarian values and this is much evident in the illustrious contribution in the discourses of socio political and cultural scenario, both within the state and in our nation. The extensive campus in ten acres of prime land in the heart of Kollam city, houses sprawling buildings boasting modernist architecture. An exhaustive library and the lively presence of the district IGNOU centre and Kerala University Distance Education centre make it a thriving educational hub in Kollam District. A vibrant campus, the enriching environs, the historic overtones, and the philosophic embodiment, combined with its strategic positioning near major rail road transit points make the college an attractive space to opt for, among the student community. The college is NAAC accredited with 'A' Grade; besides being enlisted as an 'A' Band institution in Atal Ranking of Institutions, 2020.

## **AIM OF THE COLLEGE**

The college aims at achieving the high ideals of Sree Narayana Guru who exhorted us to 'strive for the welfare of all without any discrimination on the basis of caste, creed or religion'. The Guru was a Karmayogi who transformed the idealistic Advaita of his predecessors to a practical humanistic one by giving an ethical and social context to it. Imbibing the teachings of the great Guru such as "One Caste, One Religion, One God for man", "Liberate oneself through education", "Humaneness marks humanity", our college strives to mould generations in order to free them from casteism, bigotry, sectarianism and exploitation. We consider education an instrument of socio-economic progress, political development and moral, social and intellectual awakening in each student.

## **LOCATION**

The college is situated on a vast 27 acres campus along the National Highway-47 in the heart of Kollam City, on the eastern part of the Lal Bahadur Stadium, one km. away from Kollam Railway Station.

## **LOCATION AND ACCESSIBILITY**

Situated in a pristine space, spreading across twenty-seven acres of prime land adjacent to the cantonment maidan in Kollam city, the college can be easily accessed via rail and road transit points. Inter district and inter state buses can be accessed from the college junction bus stop, just adjacent to the campus; similarly, Kollam Junction railway station is a mere one kilometer away. Moreover, the campus shares its neighborhood with other colleges and libraries, thus boosting the academic environs. The enchanting location adjacent to the beach, the down town area and the ease of transport facilities, gives the college an added advantage.

## **MANAGEMENT OF THE COLLEGE**

The Management of the college is vested in the Sree Narayana Trusts, Kollam, one of the leading educational agencies in the State. There is a Managing Committee which consists of the members of the Executive Council of the Sree Narayana Trusts and the Principal. The Secretary of the Trusts is the Manager of the College. There is also a Regional Development Committee (RDC) to assist the Trusts in the Management of the college.

a) Attendance	5 marks
b) Record	5 marks
c) Test	5 marks
d) Performance, Punctuality and Skill	5 marks

#### **Attendance (Max. marks 5):**

The allotment of marks for attendance of practicals shall be as follows:

less than 51%	0 Marks
51% to 60%	1 marks
61% to 70%	2 marks
71% to 80%	3 marks
81% to 90%	4 Marks
91% to 100%	5 Marks

The marks of a Course are consolidated by combining the marks of ESE and CE (80+20).

A minimum of 35% marks (E Grade) shall be required for passing a Course with a separate minimum of 35% (E Grade) for Continuous Evaluation (CE) End Semester Evaluation (ESE).

Those who fail to secure a pass minimum of 35% (E Grade) for a course will have one chance to improve CE marks for the course.

#### **14. Project/Dissertation Work**

For each First Degree programme there shall be a Project/Dissertation Work. The Project/Dissertation work can be done either individually or by a group not exceeding five students. However, Viva-Voce based on the Project/Dissertation work shall be conducted individually. The topics shall either be allotted by the supervising teacher or be selected by the students in consultation with the supervising teacher. The report of the Project/Dissertation shall be submitted to the Department in duplicate before the completion of the sixth semester. There shall be no continuous assessment for Dissertation/project work. A Board of two Examiners appointed by the University shall evaluate the report of the Project/Dissertation work. The Detailed guidelines regarding the conduct and evaluation of the Project/Dissertation will be framed by the Board of Studies concerned.

#### **15. Grading System**

Grade indicates the level of performance of a student in a course. 'Grade Point' is an integer indicating the numerical equivalent of the broad level of performance of a student in a course. The product of Grade point and the credit of a course is called 'credit point' (CP).

#### **16. Semester Credit Point Average (SCPA)**

SCPA is an index of overall performance of a student at the end of a semester. It is obtained by dividing the sum of the credit points (CP) obtained by a student (multiply the grade point obtained by the student in each course by the credit of that course) at the end of a semester by the sum of the credits of courses taken by the student that semester. After the successful completion of a semester, Semester Credit Point Average (SCPA) of a student in that semester shall be calculated.

Suppose the student has taken four Courses each of 4 Credits and Two Courses each of 2 Credits in a particular semester, after consolidating the Grade for each Course. SCPA has to be calculated as shown in the example given below:

#### Consolidation of SCPA

Course Code	Title	Credit (C)	Marks (M)	Grades	Grade Points (G=M/10)	Credit Point CP=C*G
01	.....	4	82	A	8.2	32.8
02	.....	4	60	C	6.0	24.0
03	.....	4	50	D	5.0	20.0
04	.....	4	45	E	4.5	18.0
05	.....	2	75	B	7.5	15.0
06	.....	2	40	E	4.0	8.0
Total	.....	20	.....	.....	.....	119.8

$$\text{SCPA} = \text{Total Credit Points/Total Credits} = 119.8/20=5.99=D \text{ Grade}$$

For the successful completion of a semester, a student has to score a minimum SCPA of 4.00 (E Grade). However, a student is permitted to move to the next semester irrespective of his / her SCPA.

#### 17. Cumulative Credit Point Average (CCPA)

CCPA Indicates the broad academic level of performance of the student in a programme. It is obtained by dividing the sum of the credit points in all the courses taken by the student for the entire programme by the total number of credit.

#### Overall Grade in a Programme

Percentage of marks	CCPA	Letter Grade
90 and above	> or = 9	A+ Outstanding
80 to <90	8 to <9	A Excellence
70 to <80	7 to <8	B Very Good
60 to <70	6 to <7	C Good
50 to <60	5 to <6	D Satisfactory
40 to <50	4 to <5	E Adequate
Below 40	<4	F Failure

For the successful completion of a Programme and award of the Degree, a student must pass all Courses satisfying the minimum Credit requirement of 120 and must score a minimum CCPA of 4.00 or an overall grade of E.

**18. Repetition of the Semester Courses:**

Students who fail to secure the minimum required aggregate attendance during a semester shall be given one chance to repeat the semester along with the subsequent batch of students after obtaining re-admission and they will have to repeat the CE for all Courses.

The normal duration of the First Degree Programme shall be three years consisting of six semesters. No students shall be allowed to complete the programme by attending more than 12 continuous semesters.

**19. Re-appearance of Failed Students:**

Students who fail shall have to reappear for the ESE of the same along with the next regular batch of students. Candidates who fail to score 'E' grade in the ESE in any of the Course/Courses have to reappear for the ESE of the Course/Courses Concerned with next regular batch of students. The number of chances or such appearances is limited to 5 and the same have to be done within a period of 12 continuous semesters including the semester in which they have first appeared.

However, students who fail to secure SCPA of 4.00 have to reappear for the ESE with the next regular batch of students for such courses for which they have secured the least Grade for improving the SCPA. Here also the number of appearance is limited to 5 and the same has to be done within a period of 12 continuous semesters including the semester in which they have first appeared.

In both cases (i.e. failure to obtain 'E' Grade for individual Course/Courses and 'SCPA of 4.00) students shall not be allowed to repeat the semester, but the marks secured by them for the CE part shall be carried over and added to the marks obtained in the ESE they reappear. However, those who fail in the CE (i.e. those who fail to secure a minimum of 'E' grade) will have one chance to improve the same (except the marks for attendance) along with next regular batch of students.

**20. Improvement of ESE**

Candidates who have successfully completed the semester, but wish to improve their marks for the ESE shall have only one chance for the same along with the next immediate regular batch of students. In this case, the better marks obtained shall be considered for the calculation of SCPA.

**21. Grace Marks**

Grace Marks shall be awarded for Sports/Arts/NCC/NSS in recognition of meritorious achievements.

Strange is our situation here on Earth. Each of us comes for a short visit, not knowing why, yet sometimes seeming to divine a purpose. From the standpoint of daily life, however, there is one thing we do know : that man is here for the sake of other men - above all for those upon whose smiles and well-being our own happiness depends.

**F**inish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in, but get rid of them and forget them as soon as you can. Tomorrow is a new day, and you should never encumber its potentialities and invitations with the dread of the past. You should not waste a moment of today on the rottenness of yesterday
