**Interdisciplinary Workshop on LATEX – A Typesetting Language for Researchers on
18/02/2022**

Jointly organized by

Department of Botany, Department of Chemistry, Research cell and IQAC

REPORT

The inaugural session of the workshop was started by a prayer by Botany choir team at 10.00AM. Dr Pushpa V L, Head, Department of Chemistry welcomed the gathering. Dr R Sunil Kumar, Principal presided and inaugurated the workshop. Dr.Kiranraj M S, Assist Professor, Department of Botany felicitated the programme. Total of 27 participants including research scholars and faculties of various colleges and research institutes were registered for the workshop. Inaugural session was followed by Technical Session at 10.30 AM. Dr Hari V S, Associate Professor, College of Engineering, Chengannur served as the Resource person. The Session started with an introduction about LATEX. He explained the various applications of LATEX in research. This session was followed by a demonstration class and hands on training session at 11.30AM. The participants got familiar with LATEX and they showed interest to use this typesetting language in their research. The closing ceremony started at 1.00 PM. Certificates were distributed to the students by the Resource person. Vote of Thanks was delivered by Dr N Ratheesh, Assistant Professor, Department of Botany. The Workshop came to an end at 1:30 PM with National Anthem.

The Department of Botany, Department of Chemistry, Research cell and IQAC acknowledges all our teaching and non-teaching Staff and participants who made this venture a grand success.

About L^AT_EX

L^AT_EX is a typesetting language that is used for creating high quality scientific and technical documents such as journal papers, theses, presentations and reports. Easy creation of bibliographies and indices is helpful for researchers and faculty. The skill in L^AT_EX is an asset to researchers and teachers.

The participants will learn to develop scientific documents in L^AT_EX at the end of the talk. They are requested to download MikTeX from <https://miktex.org/download> and install it in your laptop and bring it. Also download the L^AT_EX editor TeXnicCenter from <https://www.texniccenter.org/download/> and install it.

Organizing Committee

Dr. R Sunilkumar	Principal
Dr. V L Pushpa	Coordinator
Dr. Nisha A P	Coordinator
Dr. S V Manoj	IQAC Coordinator

together with the members of the Faculty of Botany and Chemistry, Research Cell and IQAC.

Venue

G 2 Seminar Hall
