

SREE NARAYANA COLLEGE, KOLLAM
ENERGY CONSERVATION CLUB – 2021 – 22

Inauguration of Energy Conservation Club of our college done by Dr S Jayasree, NAAC Coordinator, S N College, Kollam on 09/03/2022, 10 am at the college G-2 Seminar Hall. Dr. Sankar S, Head of the department of Physics, S N College, Kollam, presided the meeting. Dr M S Roxy, Assistant Professor of Physics and club co-ordinator delivered the welcome speech. Dr. Dr. S.V. Manoj Associate Professor of Chemistry and IQAC Co-ordinator and Dr Vinod B S, DBT Star Coordinator delivered the felicitations. Dr Sree Remya T S delivered the vote of thanks. About 120 students participated in the meeting.

After the inaugural session, **Workshop on solar panel installation was conducted** using the fund of DBT Star College Scheme on the same day at 10.45 am. The resource person, Mr. Mohanan V, Former Deputy Manager, KMML, Chavara demonstrated the history of development of solar panels, efficiency of solar panels, charge controllers, inverters etc to the students. In the afternoon session the students were divided into batches and each and every aspect of solar panel installation was explained to them. Parameters like voltage, current etc were explained practically. Panel wattage on the specified parameters of I_m , V_m were calculated by the students. Typical example of energy bills was examined. On this basis students could calculate the number of panels required for corresponding KSEB bills. Energy conservation tips were also explained to them.
