## Science Club Activities, 2021-2022

*(Science for the People, and the People for Science)*

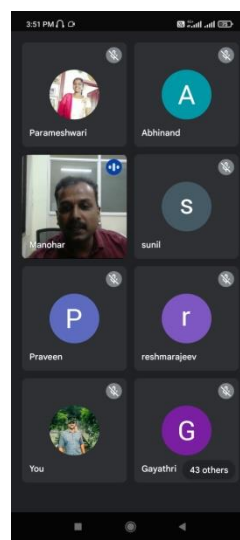

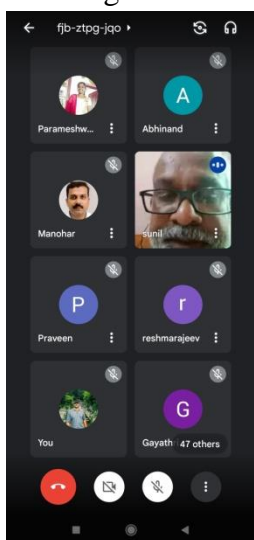

### **Dr. P. Nikhil Chandra**

(Club Coordinator, Asst. Prof. in Chemistry)

**Club Members:** Dr. Deepa J.P., Dr. Deepa J.R. (Chemistry) , Mrs. Neethu Vijayakumar (Botany), Dr. Sheeja V.U. (Zoology), Mrs. Saranya Babu (Physics)

The need to improve the science and technology skills and knowledge of students, especially from science stream is of great significance. It is therefore important for them to be provided a solid foundation based on scientific understanding and awareness. The **science club** of S.N. College, Kollam is keen to make sufficient activities to promote interest, understanding and knowledge in science activities among students along with developing interest in science and to develop skills in field work, research and project presentation.

The activities of the club were formally started with its official inauguration by Dr. R. Sunil Kumar (Principal, SN College, Kollam) on 29/01/2022 via online mode through Google Meet at 3.30 pm. Welcome speech was delivered by club member Kumari Will Sumam (II DC Philosophy). The program was presiding over by Club coordinator Dr. P. Nikhil Chandra (Asst. Prof., Chemistry). Prof. (Dr.) Manohar D. Mullassery (Prof. of Chemistry, FMN College, Kollam) was the chief guest and resource person for the programme. Dr. S. V. Manoj (IQAC Coordinator) with Kumari Anjali K of MSc Botany, Abhai Asok of III DC Physics delivered felicitations for the programme. Our club member Dr. Sheeja V.U. (Asst. Prof. of Zoology) commented the vote of thanks to all for all students for their active participation. Prof. (Dr.) Manohar D. Mullassery delivered an informative lecture on 'Research in Science: The future of India', which was highly appreciated by the club members. Mr. Jais Jacob of II MSc Zoology and Kumari Sona Varghese of II PG Chemistry were selected as club leaders for this year.

**Science Club** decided to conduct a ‘**Science Lecture Series**’ led by its own members on every week on various science topics. First of a kind is delivered by Kumri Thansi Hashim and Kumari Sona Varghese (II PG Chemistry) on topic ‘**Corona Vaccines and Fun with vaccination: A small history**’ respectively.

Science club actively celebrate **National Science Day**, which was celebrated in India on 28 February each year to mark the discovery of the *Raman effect* by Indian physicist Sir C. V. Raman on 28 February 1928. We celebrated the special occasion on 27 February 2022 by conducting two Science Lectures for the beneficiary of science students. A talk regarding “Importance of Science Day” was delivered by Kumari Haritha M of II PG Zoology. Another talk on the *Science Day Theme 2022* “Integrated approach in Science and Technology for a sustainable future” was delivered by Mr. Jais Jacob of II PG Zoology. Science club is keen on disseminating science knowledge among students through competitions. Club celebrated Science Day by organizing programmes for college students. We conducted ‘Intercollegiate science quiz’ competition based on general science on 28/02/2022 at G2 Seminar Hall. About 14 teams participated in preliminary quiz round and only 5 teams qualified for second round. Students from SN College, Kollam bags 1<sup>st</sup> prize while the II<sup>nd</sup> prize by students from TKM College, Kollam.
