Report of Human Rights Awareness Forum (2020-21)

A webinar on Expanding Horizons of Human Rights was jointly organised by the Human Rights Awareness Forum and the PG And Research Dept of Political Science on Sunday the 23rd of May 2021, 4 PM on the Zoom platform. The President of RTI Kerala Federation, Adv. D B Binu was the guest speaker. A one-hour session by him was a rare experience for the participants. He kicked off from the historical background of human rights and led us to the constitutional provisions of human rights and concluded with the major human rights issues in the society. He was not reluctant to share the inability of the commissions constituted in states and centre to implement its directions based on their findings. The directions of the human rights commissions are directory in nature and the government both at the centre and state can accept or reject according to its whims and fancies

The webinar was well attended by our students, research scholars, teachers apart from some human rights activists and advocates. The webinar was inaugurated by the principal, Dr R Sunilkumar and the HOD of the department, Dr Archa Arun delivered the welcome speech. And the programme coordinator, Jissa S proposed the vote of thanks

The wholehearted support and coordination of the organising committee which includes the members of the HR Forum and faculty team of the department. The excellent support and motivation given by Dr S V Manoj are worth mentioning. And the technical support was given by Dr Jisha S. The webinar started at 4.10 pm and concluded at 5.25 pm
