DEVELOPING CREATIVITY AND ARTICLE WRITING

Webinar on Research Methodology

Department of History

Date : 22/11/2020

Time : 10.00 am

Report

Research is a stream of knowledge. It comprises creative work undertaken on systematic basis to increase the stock of knowledge. Including humans, culture and society and the use of this stock of knowledge to devise new applications. It is used to establish or confirm facts, reaffirm the results of the previous work, solve new or existing problems or develop new theories. To nourish research culture among the post graduate students of Department of History, a webinar on ‘Development of Creativity and Article Writing was conducted. The chief resource person was Dr Vasumathi Devi, historian on Kerala History and culture. Dr Nandakumar B V, Assistant Professor, Department of History, S N College, Varkala also delivered a lecture in this regard. The speeches of the resource persons were reviewed and questions were raised. The students equipped with the

data collection, analysis and so on. for publishing research papers in journals. It enriched their academic enthusiasm once again.
