

SREE NARAYANA COLLEGE, KOLLAM, KERALA

DBT STAR COLLEGE SCHEME SUPPORTED

**WEBINAR ON CROP GENETIC DIVERSITY- UNDERSTANDING ITS
ROLE IN AGRICULTURE**

REPORT

Regional webinar on “Crop Genetic Diversity” was organized by the Department of Botany, Sree Narayana College, Kollam, Kerala on 02/02/2022 on Google Meet platform from 10am to 1.00 noon.

The meeting started at 10am with a silent prayer. Dr. Nisha A P, Head of the Department & Programme coordinator welcomed the gathering. Dr. R. Sunilkumar, Principal of the college delivered the inaugural speech. Dr. Vinod B S, Coordinator of the DBT Star College Scheme briefed on the scheme and felicitated the programme. Invited lecture was delivered by Dr. Resmi L, Assistant Professor, Department of Botany, University of Calicut. She stressed on the role of genetic diversity in helping attain food security . Queries regarding the same were cleared during the discussion. The webinar came to an end with vote of thanks by the Department –level Coordinator for STAR SCHEME , Dr. Chithra Vijayan, where everyone involved in the success of the programme was duly acknowledged. Ms. Anjali K compered the sessions. E Certificates were despatched to the undergraduate students who participated in the webinar. Screenshots of the attendees and speakers were recorded. Live streaming of the programme was also conducted simultaneously in the department lab.
