Affiliated to University of Kerala
NAAC Reaccredited B++ Grade College
College with Potential for Excellence

Date: 02/04/2022

To,

Dr. Pushpa V L
Associate Professor
S N College
Kollam

Sub: Request for the M.Sc. Chemistry dissertation Guidance

Respected Sir/ Madam

This is to request your esteemed institution to grant permission and necessary guidance for our student **Ms. Christeena Mathew** for doing PG dissertation work in the field of drug design and drug development within a time period of April to June 2022. She is currently doing her Second semester in New Generation Course in **M.Sc. Chemistry with specialization in drug design and drug development** sanctioned by the University of Kerala.

She has to undertake independent research in a field related to drug design and development. As per the guidelines of the University of Kerala, the dissertation work should be new, which is not published earlier.

She is found to be very hard working and dedicated to the work entrusted to her. She is willing to spend her time in your institution with lot of sincerity and commitment.

Permitted

Pushpa

Sr. Ph
Yours Sincerely

Sr. Barakala Pushpa
