Preamble

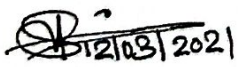

This academic collaboration agreement on 12th July 2021 between PG and Research Department of Botany, Sree Narayana College, Kollam (hereinafter referred to as "SNCK") affiliated to University of Kerala and Department of Botany, Department of Botany, Mahatma Gandhi College, Thiruvananthapuram (hereinafter referred to as MGCT) affiliated to University of Kerala by mutual consent.

The SNCK and MGCT. Collectively referred to as the "Institutions" or the "parties".

1. The purpose of this collaboration document is to develop academic and educational cooperation and promote mutual understanding between the two parties.
2. Each party agrees to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.
 - 2.1) Joint research projects in fields of mutual interests
 - 2.2) Opportunities for faculty development and exchange as mutually agreed
 - 2.3) Exchange of academic information and materials
 - 2.4) Training on Learning Management Systems and other digital technologies used in E-learning to faculty and students
 - 2.5) Promoting other academic cooperation as mutually agreed
 - 2.6) Other activities as mutually agreed

3. The development and implementation of specific activities based on this collaboration will be separately negotiated and agreed between the parties. Each Party agrees to carry out these activities in accordance with the laws and regulations of the respective management after full consultation and approval.
4. It is understood that the implementation of any of the types of co-operation stated in clause 2 shall depend upon the availability of resources and financial support of the party's concerned.
5. Both parties agree that prior written approval is required before using the other party's name, logo or other intellectual property right in any advertising or associated publicity.
6. This Agreement places no financial obligations or supplementary funding commitments on Either Party.
7. This collaboration may only be amended or modified by written agreement signed by the representative of each party.
8. This collaboration is valid for a period of five years from the date of signing by the authorized Signatories of each Party. Each Party shall review the status of the collaboration at least three months before the end of the five-year period to determine whether it wishes the Collaboration to continue and, if so, any modifications that might be necessary.
9. This Collaboration may, at any time during its period of validity, be terminated by one of the parties upon prior notice to the other in writing not later than six months before the termination date.

Signed for and on behalf of Department of signed for and on behalf of PG and research Department of Botany, SNCK, PG & Research Department of Botany MGCT, Thiruvananthapuram.
