Reviewer Appreciation Letter**Dear Reviewer:**

The Year 2018 was exciting and challenging for the *Proceedings of the National Academy of Sciences India, Section-B Biological Sciences*. Both the quality and circulation of the journal, with the collaboration of Springer India Pvt. Ltd, New Delhi, improved considerably. This has been possible only because of your continuous support and help. Although the Impact factor of the Journal remained at 0.396 (2013 JCR), it registered a CiteScore 2017 of 0.62, Google index 16, and Scimago Journal Ranking (SJR) 0.237. It has published (online) a total of 1073 articles during 2012-2018. The journal ranks among the top five Indian journals in the field of Agricultural/ Biological/ Environmental sciences as per www.scimago.com.

Through this letter we convey our heartfelt thanks to you for your valuable support in our endeavor to enhance the quality of the journal further. Along with this mail/letter, we circulate the list of top reviewers of 2018 (please see the attachment).

I would like to take this opportunity to request you and your colleagues to submit papers in our journal which we are sure would enhance the impact of the journal further.

I would like to close this letter by reiterating that we value your association greatly and hope that it would continue in the coming years too.

Kind regards,

Yours sincerely,

Amit Ghosh
