EDUCATIONAL TOUR REPORT

MSc Chemistry 2018-20

Department of chemistry organized an educational study tour on 16/09/2019 to visit Hindustan Insecticides Limited ,HIL(INDIA) LTD, Kochi, a Govt. of India Enterprise, under the Dept. of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Govt. as part of curriculum. The tour comprised of 29 students (MSc Chemistry & MSc Analytical chemistry) accompanied by faculty members Mr. Abhilash S, Dr. Praveen Prakash and Dr. Deepa J P. The whole team departed from Kollam at 6 am and reached the location by 10 am.

HIL (India) Limited formerly known as Hindustan Insecticides Limited (HIL), a Govt. of India Enterprise, under the Dept. of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Govt. of India, operating in agro inputs namely agro-chemicals, seeds and fertilizers, pesticides so that all the requirement of farming community can be met under one roof. The insecticides unit is located at Cochin. In the first session, the students were explained about the history of the industry. During this - session, students interacted with the Chemical engineers very effectively particularly about the method of preparation of the insecticides. After this session students were taken to Quality control unit and production unit and they got an opportunity to observe the production process. During the trip, students gained practical knowledge about the preparation of insecticides. Many of the points explained theoretically in the first session were explained again practically.

The tour concluded with the arrival at Sree Narayana College at 6.00 p.m. The tour was an enriching and memorable experience for students and teachers alike.
