SREE NARAYANA COLLEGE

KOLLAM – 691001, KERALA

REMEDIAL SYSTEM

Remedial System identifies needy students who require extra academic sessions with the aid of an active tutorial system, and channelizes them to the remedial coaching sessions. Such sessions help boost the academic confidence amongst our students and help them tide over the difficulties posed by the examinations.

Arshad Hameed
Principal
Sree Narayana College
Kollam

REPORT ON REMEDIAL TEACHING V SEM PHYSICS

It was held on December 01 to 07. We selected 07 students for remedial training. Remedial teaching should be done by the teachers own field of study. Meanwhile, the approach that be used by the teachers in remedial teaching was curative approach, repetition type and individualized tutoring. After being given remedial teaching for two hours of lessons, at the next meeting they will be given remedial test as well. Classes was handled by Srijith S. At the end, the teacher should give another summative test. Those who score more than 80% should join the enrichment group. Those who score less than 80% should continue with corrective teaching until they master the unit and score above 80%.
