The students of Biotechnology department has opined well regarding their syllabus and also provide an excellent suggestion with regard to the criteria “ The syllabus has good balance between theory and application”. While considering the criteria whether the syllabus is need based, the students could not provide an excellent opinion which means an improvisation is well needed. They also suggest that the syllabus is highly suitable for higher education purposes.

### ACTION PLAN REPORT

- Suggestions received through feedback are properly communicated to teaching and non-teaching staff by the Principal.
- Since the college has a limitation to follow the Kerala university syllabus many of our faculties are involved in University Board of studies and Syllabus restructuring for overall development of the students.
- Various certificate courses has been started for students for higher education provision
- Improvisation in teaching learning process.
