Our students think their syllabus to be the greatest. They submit some valuable things. Although it doesn't seem so great now considering their thoughts and suggestions should be considered. We think the only solution is revision of syllabus.

Most of our teachers claim that we have lot of study materials according to the syllabus. Teachers considered that syllabus is most appropriate to curriculum related books like dictionaries and reference books are available in Library . A few teachers do not think that the ratio between the time schedule and subject coverage is favourable for higher education.
