TITLE OF THE COURSE -

**CERTIFICATE COURSE IN FINANCIAL PLANNING AND INVESTMENT
MANAGEMENT**

Instructional Hours - 30 Hrs

About the Course

The level of financial literacy varies according to education and income level. The general level of financial literacy in the country is less than 5 percentage and a large number of people are easily duped through different Chit funds and other illegal high return promising savings and investment schemes. The general public is not aware of the risks and return associated with different savings and investment opportunities available in the financial market. While Government of India, State governments and banks are offering different saving and investment schemes, too often the different financial terms associated with these schemes are not easily understood by the common people. It has very often seen that many people continue to invest their hard-earned money in various speculative and ill liquid investments which create lots of discomforts at later stages. In the above background this course aims to educate the participants about the various savings and investment opportunities available in the financial market for the common man.

Course Objective

- The main objective of the course to cater to the need of developing the level of financial literacy of the general public.
- To help the participants to understand the important term, rules, concepts, principles related to financial planning and investment management.
