

# Programme Report -Field trip 2022

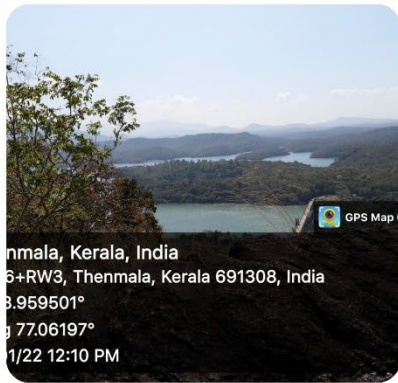

## Department of Botany

### Sree Narayana College, Kollam.

Reinforcing experiential and relational learning is the key goal of conducting a field trip for students. On January 7, 2022 final year degree students of Botany along with faculty resumed their journey for one day field trip to Shenthurunni Wild Life Sanctuary, from Sree Narayana College, Kollam Campus. The team reached Thenmala around 9:30 AM. We headed straight to the Tourist facilitation centre, from where we were directed to the Vana Vinjana Kendra, at Shenthurunni Wild Life Sanctuary. The team then headed off for Trekking at KalamKunnu, Thenmala, for field study and plant exploration. There was short lunch break. Food was booked in advance at Thenmala. By 2.00 pm we started for Jungle Safari. By 4.00pm the team visited Deer park where identification of various tree species was done. The students were able to observe many endangered tree species, which include *Gluta travancorica* (local name: 'shenduruni' / 'chenkurunji'), the Wild Life Sanctuary named after this IUCN Red listed tree species, which is endemic to Southern Western Ghats, *Ophiorrhiza mungos* (Rubiaceae), *Thottea ponmudiana* (Aristolocaceae), *Terminalia paniculata*, *Pterocarpus marsupium*, *Cullenia exarillata* (endemic to western ghats), *Palanquium ellipticum*, *Mesua ferrea*, *Poeciloneuron indicum* (endemic to western ghats), *Elaeocarpus tuberculata*, *Vateria indica* (Endemic to western Ghats), *Dipterocarpus indicus* (endemic to western Ghats), *Vitex altissima*, *Bombax ceiba* and so on.

We started our return journey at 5.00pm and reached campus by 7.00 pm.
