INTRODUCTION

Internal Quality Assurance Cell of Sree Narayana College, Kollam was established in the year 2008. The IQAC is responsible for ensuring qualitative excellence in the functioning of all constituents of the college. IQAC supervises the implementation of the action plan and provides advice and assistance so as to draw the desired outcome.

OBJECTIVES

- To ensure timely, efficient and progressive performance of academic, administrative and financial tasks.
- To ensure the quality of academic and research programmes.
- To provide equitable access and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.

MISSION

- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- The IQAC will evolve mechanism for timely, efficient and progressive performance of academic, administrative and financial tasks.
- Facilitating feedback responses from students, parents and other stakeholders on quality-related institutional processes.
- Equitable access to and affordability of academic programmes for various sections of society
- Dissemination of information on the various quality parameters of higher education
- Optimization and integration of modern methods of teaching and learning
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- To shoulder the responsibility for generation, promotion and continuous improvement of innovations in curricular, co-curricular and extracurricular activities.
- Documentation of the various programmes/activities of the college, preparation and submission of annual reports and self study reports.

- Tenth Meeting of the Internal Quality Assurance Cell (IQAC) Sree Narayana College, Kollam was held at the IQAC Room on 12.5. 2022 at 10.30 am.

NEW COURSES INTRODUCED – CERTIFICATE PROGRAMMES

As per the recommendations of NAAC peer team, IQAC has initiated 50 certificate courses and 7 UGC-NSQF certificate programmes/PG Diploma in 2021-22 period. The National Skills Qualifications Framework (NSQF) is a competency- based framework that organizes qualifications according to a series of knowledge, skills and aptitude. The NSQF levels, graded from one to ten, are defined in terms of learning outcomes which the learner must possess regardless of whether they are obtained through formal, non- formal or informal learning. National Occupational Standards (NOS) are statements of the skills, knowledge and understanding needed for effective performance in a job role and are expressed as outcomes of

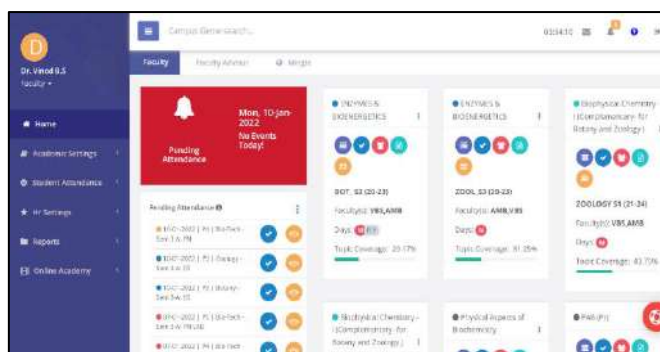

competent performance. The NOSs and QPs for each job role corresponding to each level of the NSQF are being formulated by the respective Sector Skill Councils (SSCs) set up by National Skill Development Corporation (NSDC) with industry leadership

ICT ENABLED TEACHING & LEARNING

- **Management Information system – Campus Genie:** The Education Resource Planning Software (ERPS), a software which gives complete control over all the activities of the college, was successfully introduced and implemented for improving academic standards of the institution. All information of students and faculty members are made available at finger tips. ERPS offers a common online platform for managing internal examination, admission, attendance recording and class monitoring. The software facilitates Admission Management, Course Management, Exam Management, Library Management, etc. Teachers record the attendance of students after completing the class hours and enter the marks awarded for the students in the Continuous Evaluations components like attendance, assignments, seminars, etc. It acts as a transparent system which enables the students to see the performance of students on a daily basis. It also helps the parents to understand the progress of their wards on a time-to-time basis. Through the message alert system students' performance are made available to the parents.

- **Online Academic initiatives:** Institutional mail id was provided for all the students and teachers in the college. This enables the students and teachers to enter the online classes and other online programmes easily. It facilitates the conduct of zoom classes and online webinars of the college. Curriculum feedback has been periodically collected from the stake holders.
- **MOODLE platform:** In the era of online education, Learning Management Systems are becoming an essential requirement for higher education institutions. Sree Narayana College, Kollam has always been keen to facilitate its faculty and students with the best available technology. Moodle is a learning management system which enable the perfect management of online resources provide to the students along with the capability of best supervision of faculty. Moodle platform is created for conceptualising various certificate courses, value added courses and bridge courses. Through Moodle remedial classes and enrichment classes are offered to the needy students on a time bound basis. IQAC in association with Kerala State Higher Education Council organised an online FDP programme on Moodle.

- Sree Narayana College Kollam Open Access Library :** Sree Narayana College Kollam Central Library (SNCKCL) has a large collection of about one lakh books which includes reference books, textbooks, treatises, fiction, back volumes of journals etc. Currently, the library subscribes to 35 periodicals, 60 journals in various disciplines and 9 daily newspapers. The Central Library has 3 sections – Reference Section, Circulation Section and Periodical Section. Now, the college library also provides well-equipped facilities for the open access system. At present, the library is offering an e-resource accessing facility through National Library and Information Services Infrastructure for Scholarly Content (N-LIST). N-LIST is jointly executed by the E-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, Delhi.

STUDENTS BENEFITED BY SCHOLARSHIPS AND FREESHIPS

CURRICULUM ENRICHMENT

Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institution offers 1044 courses out of which 384 courses integrate various cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability. The courses 'Writings on Contemporary Issues' and 'Environmental Studies' offered to UG students, exclusively deals with Human Rights, Environment and Sustainability, and Gender. College offers a range of 257 Add-on/Certificate, Value added courses (including NSQF courses) that aid students' skill development and prepare them for the professional world. College organises AGORA seminar series which facilitates to address these issues.

➤ Professional ethics

- Upholding the ideal of "Liberation through Education" the college provides quality education for all students without any discrimination.
- Organized 71 seminars/workshops/invited talks on Research Methodology and Publication Ethics, Academic Writing and Plagiarism and IPR.
- Organized 42 Career guidance programmes to inculcate professional ethical practices among students.

➤ Gender

- Our college offers courses including Gender Politics, Theorizing Sexualities and gender concerns are also reflected in the syllabus of Journalism, Malayalam, Economics, Philosophy, History and Politics.
- Yoga and self-defense training are offered by the Women Study Unit of our college.
- The college conducts gender audit annually to discern whether the activities of the college follow its gender policy.
- Organized seminars and awareness sessions including Gender Equity and Legalities of Exploitation based on Gender.
- Pride Month observed in college and talks on Transgender alienation, issues and concerns were organized.
- Street Play named "Pennu" scripted, directed and performed by our students in schools, colleges and public places.

➤ Human Values

- The teachers and students spearheaded the rescue and relief operations in solidarity with the State Disaster Management Team during flood and pandemic by organizing medical camps, distributing food kits, face masks, sanitizers, providing medicines, cleaning and chlorination etc.
- Under the ‘Share and Care’ initiative, mid-day meal programme and financial assistance to socially and economically backward students and staff to meet medical exigencies is provided.
- ‘Human Rights Watch Group’ in our college monitors human rights abuses and any violation noticed will be reported to competent authority.
- The Palliative Care unit regularly supplies medicines, clothes and food to vulnerable sections of society.
- Financial assistance extended to Saigram Housing Project for the rehabilitation of 108 Endosulphan victims.
- Constructed houses for financially challenged students under ‘Home for Homeless’ scheme

➤ **Environment and Sustainability**

- Strict adherence to Green Protocol is monitored by the Green Protocol Monitoring Committee.
- Institution declared Green Campus in 2021 and awarded Suchitwa Campus Award 2022 by Haritha Kerala Mission and Kollam Corporation respectively.
- Green audit and energy audit is done annually with a carbon footprint of 0.08.
- Environment cleaning and conservation promoted through programmes like SwachhBharat and Suchitwa Mission, Save Ashtamudi Campaign, Swastia - an initiative that planted 3000 saplings at students’ homes during COVID-19 pandemic.
- Organic farming of paddy, vegetables and flowers in the campus by students which secured the Third Place for the Kerala State Karshaka Award 2019.
- Promotes entrepreneurial skills among students through mushroom cultivation, apiculture, nursery management and floral arrangement.
- Campus equipped with renewable energy resources like rainwater harvesting, 10 KW solar panel, biogas plant, aerobic compost and incinerator

Start-up programmes initiated

The college has initiated various start-up programmes like chocolate manufacturing unit - **Choco Wheel**, Mushroom cultivation and Flower arrangement. Besides the student start-ups, there is one faculty start-up scheme - Artificial intelligence, Machine learning and Data analysis.

- **Covid-19 initiatives**

The college has prepared and distributed Hand sanitizers for the public and college staff at free of cost. The sanitizers were manufactured under the auspices of Department of Physics & Chemistry. Various awareness programmes were organized for students, staff, parents and general public. As a part of the programme under **Unnath Bharat Abhiyan**, the college had Distributed masks and hand sanitizers to the general public of Chavara Village, Kollam District.

RESULTS 2021-22

Program Code	Program Name	Number of students appeared in the final year examination	Number of students passed in final year examination
105	B.A. Philosophy	65	24
112	B.A. Sanskrit	40	7
115	B.A. Malayalam	51	20
125	B.A. Hindi	49	30
128	B.A. Journalism	67	46
130	B.A. English	65	43
140	B.A. History	70	27
145	B.A. Political Science	77	39
150	B.A. Economics	82	30
159	Bachelor of Commerce	85	61
220	B.Sc. Mathematics	58	36
230	B.Sc. Physics	52	29
235	B.Sc. Chemistry	55	39
245	B.Sc. Botany	53	33
247	B.Sc. Bio Technology	41	30
250	B.Sc. Zoology	56	33
328	B.Sc. PCA	39	13

RANK HOLDERS 2021-22

2021-2022			
SL No.	Name of the Candidate	Program me	Rank / Position
1	Bismi Basheer	BSc. Botany & Biotechnology	1
2	Anjali Reghu	BSc. Physics with Computer Application	2
3	Sripathi Thampi	BA Journalism & Mass Communication	2
4	Anusree	BA Political Science	3
5	Rejoy M George	BA Sanskrit	4
6	Anu Ajayan	BA Sanskrit	5

TOTAL GRANTS FROM GOVERNMENT AND NON-GOVERNMENTAL AGENCIES FOR RESEARCH PROJECTS RECEIVED

STUDENT-CENTRIC METHODS

The institution, aiming at the holistic development of students, uses both conventional teaching learning process and novel strategies like;

- Experiential learning
 - Participative learning
 - Problem solving methods integrating innovative technology.
- ✓ The UG and PG programmes follow the curriculum and syllabus prescribed by the University. To promote collaborative and experiential learning, individual/group projects are mandatory for both UG and PG programmes.
- ✓ The institution maintains one of the biggest automated college libraries in Kerala housing over 1,16,000 volumes and 93 periodicals in print.
- ✓ The Open Source Integrated Library Management System, facilitates circulation, cataloguing, online public access. The open source e-book management software “DSpace” provides access to e-books, digitized question papers of previous years and published works of the faculty

1. EXPERIENTIAL LEARNING

- PEER GROUP TEACHING
- PAPER PRESENTATIONS
- STUDENT SEMINARS
- SEMINARS
- WEBINARS(AGORA)
- INTERNSHIP
- EXPERT LECTURES
- FIELD VISIT
- INSTITUTIONAL VISIT
- ICT ENABLED TEACHING/NPTEL
- AWARENESS PROGRAMME

2. PARTICIPATIVE LEARNING

- SEMINAR
- WORKSHOPS
- GROUP DISCUSSION
- PROJECT
- CERTIFICATE COURSE
- QUIZ
- INTERACTION WITH EMINENT PERSONALITIES
- CULTURAL PROGRAMMES
- COMPETITIONS
- CELEBRATION OF NATIONAL DAYS
- EXTENSION ACTIVITIES

3. ICT ENABLED TEACHING

ICT make education system more productive, interesting, give more powerful instruction and also able to extent the educational opportunities to masses and creating information-rich learning environment. Faculties make use of Information and communication technologies (ICT) in teaching learning process. Innovative pedagogies are implemented by the teachers for enhancement of student involvement and effective participation. Our College promotes the adoption of better pedagogical tools to increase the participative approach of the students. The college recognized this well in advance and established essential facilities not only in designated E Classrooms but in laboratories also wherever necessary, to promote ICT enabled teaching and learning. Our college had 83 Classrooms and 09 Research Rooms, equipped with public addressing system. 58 ICT enabled classrooms were equipped with SMART INTERACTIVE BOARDS / PROJECTORS/ ANDROID TV and LED lighting with ergonomic furniture. A total number of 252 computers and five exclusive Computer Labs with Internet facility were available in our institution. The Campus is fully WIFI-enabled with leased line connection of ASIANET & BSNL (300mbps). All the computers in the computer lab are having broad band internet connection and the students are allowed and encouraged to make use of the facility to increase their knowledge base. The internet facility is available for the students from 9:00 am to 5:00 pm. The faculty and the students are encouraged and allowed to surf the net at free of cost. The institute supports a full-fledged Media -Room & Language Lab. A state-of-the art, soundproof Wi-Fi enabled Recording Studio has been set up with separate Editing Room and Editing software. The college had a well-equipped E Resource learning Centre with 31 computers and hardware facilities like projectors, scanners, printers, web camera for video conferencing, headphones, speakers, U.P.S and software CDs. 04 computers were dedicated to Divyangan students in E Resource learning Centre. Various softwares like Microsoft office, Adobe Flash, Adobe Page Maker, Adobe Reader, Tinkercad, Fulprof, ImageJ, Origin, GSAS and Turnitin software for Plagiarism checking. ORCA & NVDA screen readers are installed in computers for visually challenged students. Use of PowerPoint, excel spreadsheets, videos, and online databases in classrooms help the students to master subjects with greater clarity in the application of the concepts. Zoom, Google Meet facilities at the institute enable live streaming of lectures, webinar and video conferences. Using Simulations and virtual labs facilities, <https://vlab.amrita.edu/> in both offline and online are used to train students on practical skills. Moreover, the students are given the e-resources uploaded in the Platform Google classroom, Google Drive and YouTube. WhatsApp and Telegram platforms are used to share study materials, current affairs, and case studies with students. ICT enabled teaching includes class rooms with multimedia Projectors, Audio system and smart boards. The multimedia projectors in classrooms facilitates the faculty member to carry out their teaching. Students are encouraged to take active part in curricular, co-curricular and extra-curricular activities. Students are motivated to present seminars on various topics in the class room and also guided some of the students to prepare and present paper presentations at the seminars, conferences, workshops, held at various levels. Such active learning helped to develop presentation skills, understanding of the subject and develop learning desires among the students. Brain storming sessions and group discussions are also being

arranged for active participation of students on various topics. For slow learners, we used DSpace, an open source repository application, <https://sncklibrary.texicon.in/> which facilitates easy access to the collection of previous university question papers and study materials. Inflibnet facility is available in the Library to help the students to have access to various books and related material. The college has remote access to 6000+ e-journals as part of National Library and Information Services Infrastructure for Scholarly Content (NLIST) Subscription at <https://nlist.inflibnet.ac.in>. The college has subscription to 22 databases which give remote access to contents from the following service providers through N-LIST. Faculty members and research scholars access electronic theses and journals through “Shodhganga” of UGC. Institution YouTube channel, <https://youtube.com/@sreenaryanacollege> is a reservoir of e-materials on various courses uploaded by the faculty members of the institution. The institution offers a blended learning platform Moodle, <http://lms.snckollam.ac.in>. The faculty members upload course materials, instructions and procedures to be adopted during practical sessions, and make announcements regarding assignment submissions, seminar sessions and departmental activities. It is mandatory for students to submit assignments through Moodle, google classroom and grades are announced online. Sree Narayana College, Kollam is a recognized NPTEL local chapter which started functioning from July 2020, <https://nptel.ac.in/localchapter/statistics/4083> (College Id – # 4083).

We also promoted students to use other e-content portals which provide course materials for UG and PG programmes includes;

- SWAYAM: <https://swayam.gov.in/>
- e-PG Pathshala: <https://epgp.inflibnet.ac.in/>
- <http://vidyamidra.inflibnet.ac.in/>

In order to empower and enable effective teaching-learning using ICT and with the aim of equipping faculty members with required pedagogical skills and knowledge, the following FDP/ Workshops and Training programs were organized.

- (i) An online one-week Faculty development programme on “ICT TOOLS FOR TEACHING LEARNING PROCESS-POST PANDEMIC EDUCATIONAL STRATEGIES.” was organized by Department of Physics combined with IQAC, Sree Narayana College, Kollam in association with Kerala State Higher Educational Council.
- (ii) (ii) Department of Physics combined with IQAC, Sree Narayana College, Kollam in academic collaboration with Kerala State Higher Educational Council had organized an online fiveday Faculty development program on “EFFECTIVE TEACHING AND LEARNING THROUGH MOODLE
- (iii) (iii) An online one-week Faculty development programme on “MOODLE: THE TEACHINGLEARNING EXPERIENCE.” was organized by Research and Post Graduate Department of Physics and IQAC, Sree Narayana College, Kollam.

Training on uploading content to institutional repository of research papers, journals, webinars and faculty lecture recordings on course concepts on YouTube were also conducted. Faculties were encouraged to join for various orientation, Refresher programmes offered by Academic Staff Colleges, Swayam, NPTEL and Teaching Learning Centres. Knowledge updation by teachers enhances the teaching-learning quality of students. It is only through education and the integration of ICT in education that one can teach students to be participants in the growth process in this era of rapid change.

This new environment friendly initiative in our campus will result in a vibrant ambience offlora and fauna, birds and bees. We look forward to a greener paradise within our campus that would be a place to learn, to enjoy and be one with nature. One student from each department presented on topics related to environment in connection with their discipline. A five-minute onlinepower point presentation was done by students representing 16 departments. This led to the complete participation of the college. June 5, 2021, World Environmental was celebrated online due to covid pandemic.

- **Student representative as a Covid Warrior – Kavya Prakash**

Kavya Prakash, III Year Journalism and Mass Communication student of S.N. College, Kollam had completed her SPC training during the period of 2013-15 and therefore was eligible to join SVC (Student police Volunteer Cops) at the age of 18. As a part of SVC project, she did Covid duty (as a Covid warrior) and also participated in programs such as “War Room”, in association withKerala Police, during the first and second lockdown period

- **Ashtamudi Lake - The Ramsar Site - 1204 Conservation, Restoration andProtection**

Aim of the programme was creating an awareness on wetland functions and values, benefits of wetland resources, how changing climate affect wetlands, Ecosystem Services of wetlands, importance of wetlands in the recreational, educational and in the fields of research, specifically, the Ashtamudi lake, the Ramsar Site – 1204

OBSERVATIONS OF IMPORTANT DAYS 2021-22

- 5 JUNE 2021 TO 7 JUNE 2021- WORLD ENVIRONMENT DAY PUNARJJANI (REUSE AND RECREATION)- 3 DAY CAMPAIGN
- 12 JUNE 2021- WEBINAR ON ANAEMIA AWARENESS
- 14 JUNE 2021- WORLD BLOOD DONOR DAY- WEBINAR ON BLOOD DONATION AWARENESS
- 19 JUNE 2021-READING DAY – ONLINE PROGRAMME- VAMAZHI
- 21 JUNE 2021- INTERNATIONAL DAY OF YOGA – WEBINAR.
- 26 JUNE 2021- INTERNATIONAL DAY AGAINST DRUG AND ILLICIT TRAFFICKING- ONLINE DATE: 1 JULY 2021-DOCTOR’S DAY- ONLINE INTERACTIVE SESSION
- 12 AUGUST 2021- INTERNATIONAL YOUTH DAY- INTERACTIVE SESSION

Kollam District Hospital cleaning

- AUGUST 2021- INDEPENDENCE DAY
- 01 SEPTEMBER 2021-GENDER SENSITIZATION TRAINING PROGRAMME
- 04 SEPTEMBER 2021-TEACHER'S DAY CELEBRATIONS
- 23 SEPTEMBER 2021- SANITATION DRIVE
- 24 SEPTEMBER 2021- NSS DAY CELEBRATION
- 25 SEPTEMBER 2021-MEETING WITH KOLLAM MAYOR
- 01 OCTOBER 2021 - FLASH MOB ASHTAMUDI LAKE REJUVENATION
- 02 OCTOBER 2021- GANDHI JAYANTHI – SEVANA VARAM
- 13 OCTOBER 2021- INTERNATIONAL DAY FOR DISASTER RISK REDUCTION
- 15 OCTOBER 2021- BOOK DONATION(WORLD STUDENTS' DAY)
- 15 OCTOBER 2021- WORLD STUDENTS' DAY)INTER COLLEGE ELOCUTION COMPETITION
- 21 OCTOBER 2021- ONLINE SESSION ON SPINAL MUSCULAR DYSTROPHY (SMA)
- 24 OCTOBER 2021- UNITED NATIONS DAY
- 31 OCTOBER 2021-NATIONAL UNITY DAY
- 10 NOVEMBER 2021- DONATION OF ESSENTIAL SCCHOOL SUPPLIES
- 25 NOVEMBER 2021- INTERNATIONAL DAY FOR ELIMINATION OF VIOLENCE AGAINST WOMEN
- 26 NOVEMBER 2021- CONSTITUTION DAY CELEBRATION
- 04 DECEMBER 2021- DECLAMATION CONTEST
- 10 DECEMBER 2021- INTERNATIONAL HUMAN RIGHTS DAY CELEBRATION

MoUS, COLLABORATIONS

Name of the MoU / Collaboration / linkage	Name of the collaborating agency / institution / industry / corporate house with whom the MoU / collaboration / linkage is made, with contact details	Year of signing MoU / collaboration	Duration of MoU / collaboration	List the actual activities under each MOU and web -links year-wise
Journal Reviewer	Asian oncology research journal	2022	1 year	Journal Papers reviewed
Journal Reviewer	Journal of Engineering Research and Reports	2022	1 year	Journal Papers reviewed
Academic collaboration	Dept of physics, Univeristy of Texas AT EL Paso	2022	1 year	Webinar on material discovery and crystal growth
Field trip	JNTBGRI, VSSC, Priyadarshini planetarium, Kodaikanal solar observatory museum	2022	5 days	Understand the activities at the respective places
Student exchange	St.Joseph's College, Alappuzha	2022	3 months	Drug design and drug development
Faculty exchange	Kerala State Biodiversity Board	2022	1 year	Mangroove conservation report preparation of Ashtamudi Lake
Field visit	JNTBGRI, Palode	2022	4 days	Visit to JNTBGRI, Palode
Internship	Quilon co-operative urban bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	Padinjare kollam service co-operative bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	SNV Regional Co-operative bank Paravur Ltd	2022	15 days	Internship as part of curriculum of M.Com
Internship	Vettikavala rural co-society	2022	15 days	Internship as part of curriculum of M.Com
Internship	Perayamservice co-operative bank Ltd	2022	15 days	Internship as part of curriculum of M.Com
Internship	Edava Service Co-operative bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	Ezhukone service co-operative bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	Kollorvila service co-operative bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	Vegetable & Fruit Promotion Council	2022	15 days	Internship as part of curriculum of M.Com
Internship	Chathannoor regional service co-operative bank	2022	15 days	Internship as part of curriculum of M.Com

Internship	Chavara Service Co-operative Bank	2022	15 days	Internship as part of curriculum of M.Com
Internship	Department Of Biotechnology, CUSAT	2022	3 Months	Bacteriophages As Arsenal Against Multidrug Resistant Wound Pathogens and Bacterial Strains
Internship	CSIR-IHBT, Himachal Pradesh	2022	1 Month	Basic Concepts and Techniques Used in Plant Pathology
Internship	Biovent, Karyavattom Campus	2022	2 Weeks	Nutritional Analysis of Banana Powder-Musa Paradisiaca
Internship	Biovent, Karyavattom Campus	2022	2 Weeks	Screening Of Amylase Enzyme Production from Bacillus Cereus Isolated from Waste Dumped Site by Submerged Fermentation
Internship	Biovent, Karyavattom Campus	2022	2 Weeks	In-Vitro Digestability Of Zinc In Cucumber (Cucumis Savita) With Butter Milk
Internship	Biovent, Karyavattom Campus	2022	2 Weeks	Lignocellulosic Biomass Addition with Food Waste for Enhanced Biogas Production In A House Hold Biogas Plant-A Laboratory Scale Study
Internship	CRMAS, Trivandrum	2022	3 months	Study On the Role Of Oxidative Stress In Smad4 Activation And Tgf-Beta Paradox In Human Breast Cancer
Internship	CEPCI Research Laboratory	2022	3 months	Isolation Production and Charecterization of Lipase Enzyme Producing Bacteria from Oil Contaminated Soil
Internship	CEPCI Research Laboratory	2022	3 months	Qualitative And Quantitative Phytochemical Analysis Of Psidium Guajava

Internship	CRMAS,Trivandrum	2022	3 months	Studies On Effects of Kaempferol Co-Treatment on Augmentation of Chemotherapeutic Effects Of Doxorubicin On Human Breast Cancer Cells
Internship	Biovent, Karyavattom Campus	2022	3 months	Comparative study on nutritional and anti-nutritional and antioxidant parameters on selective varieties of jackfruit seeds
Internship	CEPCI Research Laboratory	2022	3 months	Antimicrobial potential of different extract of medicinal plants
Internship	Biovent, Karyavattom Campus	2022	3 months	Preparation of nutrient solution and its assessment for hydroponic cultivation
Internship	CRMAS,Trivandrum	2022	3 months	Resveratrol attenuates doxorubicin induced gpx independent ferroptosis and mitochondrial dysfunction in cardiomyoblast cells
Internship	CRMAS,Trivandrum	2022	3 months	Invitro studies on the effect of rosmarinic acid rich fraction from ocimum sanctum on the gene expression in neuronal excitotoxicity
Internship	Biovent, Karyavattom Campus	2022	3 months	Effect of organic potting mixture(enriched with microbial inoculum npk) on selected plants
Internship	CEPCI Research Laboratory	2022	3 months	Isolation and characterization of pigment producers from different sources
Internship	Biovent, Karyavattom Campus	2022	3 months	Synthesis and characterization studies of starch based bioplastics using biowaste
Internship	Biovent, Karyavattom Campus	2022	3 months	Effects of pretreatment on biogas production using waterhyacinth

Internship	Biovent, Karyavattom Campus	2022	3 months	Evaluation on growth, nutritional and antinutritional factors in microgreens grown on cocopeat and vam associated cocopeat as substrate
Internship	Biovent, Karyavattom Campus	2022	3 months	Comparative study on the nutritional efficacy of oyster mushroom with reference to substrate
Internship	CEPCI Research Laboratory	2022	3 months	Utilization of agro waste for the production of pectinase enzyme by micro organism
Internship	CEPCI Research Laboratory	2022	3 months	DNA damage inhibition, anti oxidant and antimicrobial activity of leaf extracts of anacardium occidentale l.
Internship	Interuniversity centre for evolutionary and integrative biology, university of kerala	2022	3 months	Identification of gut bacteria of anabrus testudineus by rDNA sequencing
Internship	Athmic biotech solutions, tvn	2022	3 months	Evaluation of the phytic acid content in common bean type and determination of therapeutic and cosmetic applications of phytic acid
Academic collaboration	Apex academy	2022	1 year	Webinar On 'Overview of securities market
Academic collaboration	Department of Archaeology, University of Kerala	2022	6 months	Skill based certificate course conducted on tourism and heritage studies
Translation collaboration	All India Radio	2022	1 Month	Translation of Swathanthryam Thanne Amrutham to Hindi
Translation collaboration	All India Radio	2022	1 Month	Translation of Azadi ka safar
Translation collaboration	All India Radio	2022	1 Month	Translation of Vayalum Veedum-Aazadi Ka Safar

ACHIEVEMENTS OF STUDENTS

- **STUDENTS BENEFITTED BY GUIDANCE FOR COMPETITIVE EXAMINATIONS AND CAREER COUNSELLING**

Name of the Activity conducted by the HEI to offer guidance for competitive examinations offered by the institution during the last five years		Number of students placed through campus placement
Name of the Activity	Number of students attended / participated	
Orientation programme for Under Graduate students	974	73
DISCOVER YOUR FUTURE OPPORTUNITIES	87	
BE WITH COMMERCE	35	
Career guidance for competitive exams SET	38	
Career Development Programme for SET	41	
Medical coding and medical billing	32	
Career Guidance Programme In Animation,VFX,Multimedia And Gaming	30	
Career Guidance in Lifescience	93	
ONLINE TRAINING FOR CSIR UGC JRF/NET AND GATE	38	
CAREER GUIDANCE IN IIT JAM	89	
OPPORTUNITIES IN FIELD OF STATISTICS AND DATA SCIENCE	102	
OPPORTUNITIES IN MATHEMATICS	93	
CRASH COURSE in UGC NET	10	
NET COACHING MALAYALAM LANGUAGE AND LITERATURE	35	
CAREER COUNCILING ON COMPETITIVE EXAMINATIONS	457	
CAREER ORIENTATION CLASS FOR PHYSICS	32	
NEET TEST SERIES IN BOTANY	35	
CARRER PROSPECTS IN BOTANY	67	
GUIDANCE FOR COMPETATIVE EXAMS	43	
Career Guidance Programme In Animation,VFX,Multimedia And Gaming	30	
UGC-NET COACHING	25	
K-TET COACHING	21	

• **PLACEMENT OF OUTGOING STUDENTS AND STUDENTS**

Name of student placed / enrolling into higher education and contact details	Program graduated from	Name of the employer with contact details / Name of institution joined	Pay package at appointment (In INR per annum)

FACILITIES AND INITIATIVES OF THE INSTITUTE

The Institution has facilities for alternate sources of energy and energy conservation measures. In order to conserve energy and tap alternative sources of renewable energy, the college has installed the following:

- One 9.9kWp On-Grid Solar Power Plant in the college.
- One Aerobic Composting Unit λ One biogas plant
- One Incinerator
- The College has adopted green policy for decades and currently transforming the light system to LED as and when the existing CFLs get fused. Currently 650 CFLs bulbs and Tubes get replaced.
- Rainwater Harvesting Unit (20,000 L)
- Open Wells
- Efficient Electrical Circuits
- Effective Water Storage Facilities

SOLAR ENERGY

Solar Power Plant Institution facilitates resources for energy conservation and as part of it, Solar Power Plant is installed in the campus considerably reduces energy bills. One 9.9kWp solar power unit has been installed in the campus. The entire college building depends on solar power for the energy requirements. There are 20 solar panel were installed. The average energy produced is 40 units per day.

AEROBIC COMPOSTING UNIT

An aerobic composting unit of capacity 1m³ has been installed in the campus. It is used to manage biodegradable waste other than plastic materials. The bio waste from students, teaching and non-teaching staffs, paper waste, dry leaves are disposed in the Unit. The manure is used to nourish the plants in the campus.

BIOGAS PLANT

One biogas plant is installed in the campus to reduce cooking expenditure and to manage biodegradable waste. The bio waste from canteen is fed to the plants.

Urban Forest - Nagaravanam

Sree Narayana College Kollam with the support of Kerala Forest Department established an Urban forest in the campus with the aim of giving awareness to students for the conservation aspects, comprises of 420 sapling including rare, endangered and threat

QUALITY AUDIT REPORT ON ENVIRONMENT AND ENERGY

1. Green Audit Certificate

	
Nature's Green Guardians Foundation Trivandrum 695 043 India	
Green Audit – Environment Quality Certificate Sree Narayana College, Kollam, 691 001 for AY 2021 - '22	
<p>Environment Audit for the academic year 2021 - '22 has been conducted at Sree Narayana College, Kollam, Kerala in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its Sub-committees, Biological Diversity Act 2002, Environmental Protection Act 1986 (and amendments) of Government of India, and other relevant mandates for maintaining sustainable and healthy environment for education in the campus.</p> <p>In our opinion, the Institution has presented true and up-to-date data on the various aspects of working of this education institution, and appropriate audit procedures have been completed by the audit team for issuing this Audit Certificate and Compliance Statement. The recommendations are based on verified data presented on the situation as they existed at the time of audit.</p> <p>The audit methodology did combine physical inspection of the campus on several occasions, with analytical reviews of relevant documents and activities, as well as interviews with the Principal, selected Staff members and Students of the College.</p> <p>Audit findings indicate that, of the 424.6 T CO₂ of carbon footprint of the institution for the year, the contribution from Transportation and mobility including public transport use is at 249.2 T CO₂ – with 75.9 T coming from the use of personal vehicles by staff and students, and that out of Wastes is at 69.2 T CO₂. The remedial activities contributed an overall relief of 70 T CO₂. The campus is maintained clean, and tidy, in the middle of the city corporation. Environmental Quality in the campus of nearly 4000 students appears satisfactory.</p>

2. Energy Audit

Nature's Green Guardians Foundation

Trivandrum 695 043 India

Energy Audit Certificate

Sree Narayana College, Kollam, Kerala for AY 2021 - '22

Energy Audit for the period of academic year 2021-'22 has been conducted for Sree Narayana College, Kollam, Kerala, in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its Sub-committees, Bureau of Energy Efficiency Standards, and stipulations under the Energy Conservation Act 2021 of Government of India, and other relevant mandates for maintenance of sustainable and healthy environment for education in the campus.

In our opinion, the Institution has presented true and up-to-date data on relevant activities to the audit team, and appropriate audit procedures have been completed for issuing this Audit Certificate and the Compliance Statement. The recommendations are based on verified data presented as they existed at the time of audit.

The inspection methodology did combine physical inspection of the campus, with analytical reviews of relevant documents and activities, as well as interviews with the Principal, and selected members of Staff and Students of the College.

Audit findings indicate that, of the 424.6 T CO₂ of actual carbon footprint of the institution for the year, the contribution from direct use of electricity and firewood was limited to 79.2 T CO₂. Transportation including public transport use (outside the campus) is at 249.2 T CO₂ (or 59% of the total). Wastes contributed 69.2 T CO₂. Wastes to energy thro biogas has potential to be further strengthened as a remedial measure. Effective awareness and training programs were conducted during the year and are planned for the future as well, to make all stakeholders aware of the need for individual efforts.

Prof. V K Damodaran

Ex-UNIDO International Energy Expert

For NGGFn Audit, dated 05 December 2022

I agree with the data presented in this report, as true, and further express my willingness to implement the recommendations of this audit report after internal review, even if any or many of them are in excess of the relevant mandates.

Prof. Dr. Nisha J Tharayil, Principal

Sree Narayana College, Kollam, Kerala

Kollam.

3. Biodiversity- Green Audit Certificate

 Nature's Green Guardians Foundation Trivandrum 695 043 India Biodiversity - Green Audit Certificate Sree Narayana College, Kollam, Kerala for AY 2021 - '22	
<p>This Green Audit including evaluation of Biodiversity conservation has been conducted for Sree Narayana College, Kollam, Kerala, in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its sub-committees, and Biological Diversity Act, 2002 (Act No. 18 of 2003) of Government of India and other relevant mandates for promotion of sustainable living and education in a healthy environment.</p> <p>In our opinion, the Institution has presented true and up-to-date data on the various aspects of working of this higher education institution before the audit team, and appropriate audit procedures have been completed for preparing this report. The assessments and recommendations are based on data presented before the team at the time of audit.</p> <p>The audit methodology did combine physical inspection of the campus on several work days and holidays, with analytical reviews of relevant documents and activities, as well as interviews with the designated Staff and Students of the College.</p> <p>This audit is conducted to ensure that a Green lifestyle is followed and implemented in the campus across all academic and non-academic departments, as well as the body of students undergoing studies in the College.</p> <p>Green Audit 2021-'22 of Sree Narayana College, Kollam has found that the institution's per capita carbon footprint for the year is only 0.088 ton of CO₂ equivalent, a level well below the current 2021 national per capita average of 1.84 t CO₂, with potential to develop early into a carbon neutral campus. All efforts are taken to conserve, protect, and enrich the existing biodiversity and also to extend efforts even beyond the college boundary through outreach, and further by implementing the Green Protocol, and having a commitment to continue its green practices to positively impact the society at large.</p>	
<p>Prof. V K Damodaran Ex-UNEP Expert For NGGF Audit, dated 05 December 2022</p> 	
<p><i>I agree with the data presented in this report as true, and further express my willingness to implement the recommendations of this audit report after internal review, even if any or many of them are in excess of the relevant mandates.</i></p>	
<p>Prof. Dr. Nisha J Tharayil, Principal Sree Narayana College, Kollam, Kerala</p> <p>Date: 05 December 2022</p> 	

Prof. (Dr.) Nisha J Tharayil
Principal
Sree Narayana College,
Kollam.

SNC entrusted the energy audit study of their institution to identify scope of energy conservation with necessary data collection and measurements wherever required. Accordingly, Auditor visited the college during month of January 2021 to March 2021 and guided the students of physics department to collect the data and sample data collection done by auditor along with teachers and students. All required data logged and prepared the audit report as per the prevailing guidelines.

1. Goals and objectives of the energy audit

The fundamental goal of energy management is to provide services with the least cost and least environmental adverse effect.

The objectives of energy management include:

- To achieve and maintain optimum energy procurement and utilization throughout the institution.
- To minimize energy costs/waste without affecting normal procedures and conducting curricula.
- To minimize environmental adverse effects.

2. Major challenges and goals for the impending years

With the implementation of various energy conservation measures, there will be steady decline of energy consumption of the institution. This will be expected to sustained efforts of all stakeholders of the institution to conserve energy with the implementation of various energy conservation measures & ideas to reduce the energy consumption

However, there are certain major challenges as the main focus of institution for upcoming years and given below:

- Most of electrical gears/fittings are very old and not energy efficient.
- Energy consumption is more compared to standard energy efficient fixtures.

Major activities to meet above challenges are summarized below.

- Providing energy efficient fixtures.
- Imparting regular familiarisation training to stakeholders for the efficient use of energy

GREEN CAMPUS INITIATIVE

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Sree Natrayana College Kollam has to work out the time bound strategies to implement green campus initiatives. Following practices are incorporated in the institution with the aim of developing a clean and green campus.

Major Green campus Initiatives

- Rain water Harvesting
- Plantation of exotic fruit trees
- Maintain Urban forest- '*Nagaravanam*'
- Save Kurinjie Campaign
- Botanical Garden
- Medicinal plants conservatory
- Plastic free campus
- Solar Panel- on grid
- Incinerators
- Use of LED bulbs and tubes
- Digital Library/ e-learning centre
- Restricted entry of vehicles
- Restricted Parking
- Sewage treatment Plant
- Usage of bicycles and public transport
- Pedestrian friendly Road
- Paperless office

1. Rain water Harvesting System

The conventional water source in the campus does not fulfill the water demand. In this ground a rainwater harvesting system established in the campus as a new water source. The runoff from the terrace of the college building is channelised into a recharge chamber located in the academic block.

2. Plantation of exotic fruit trees

Campus maintained a fruit garden comprises of 13 fruit tree species and 7 exotic tree species.

3. Maintain Urban forest

Sree Narayana College Kollam with the support of Kerala Forest Department established an Urban forest in the campus with the aim of giving awareness to students for the conservation aspects, comprises of 420 sapling including rare, endangered and threatened species.

4. Save Kurinjie Campaign

As part of the ‘**Save Kurinjie Campaign**’ of Kerala Forest Department, a tree sapling of the **RET** species of *Gluta travancorica* (*Shenthuruni maram*) [name of the “Shenthuruni wild life sanctuary” has been named after this Critically endangered species] and KCampakam was planted in the college campus by the College Principal , Dr. Nisha Tharayal on 07.07.2022. The programme was supported by the Social Forestry Wing , Kollam Division. The planted sapling was given a wire mesh protection

5. Botanical Garden

College maintains a botanical garden, a medicinal plants conservatory with anti-cancer herbs and a green house where a lot of rare species including lower groups like bryophytes, pteridophytes and gymnosperms are maintained

6. Waste Management

College maintained the campus litter and plastic free by strictly following the waste management policy from generation of waste to disposal of waste. The main steps in the waste management include:

- Generation of waste collection of waste
- Segregation of waste
- Handling of waste
- Disposal of waste

The Policy includes Six principles :

- Prevent, Reduce, Reuse, Recycle, Refuse, Recovery and Disposal.
- Use of Single-use Plastic is banned in the campus.
- Flex displays have been replaced by e-banner and Cloth Banners
- Disposable free campus
- Use of steel glass & plates instead of the disposable
- Complete restriction to packet food
-

Solid waste management

- Aerobic composting unit
- Biogas Plant
- Color-coded Waste Bins
- Plastic, metals and e-wastes are hand over to Corporation
-

Color-coded Waste Bins have been installed at different locations in the campus for the segregation of Waste at the source itself. Solid waste is collected and segregated in three separate bins for Bio-waste, Glass and Paper and Metal-Plastic waste

Management of Non-degradable Waste :

At the institutional level, Styrofoam glasses and plates are banned. Students use only Re-usable lunch boxes (stainless steel or polystyrene) instead of disposable lunch boxes Paper waste is sold to vendors for recycling at regular intervals Used plastic containers and glass waste generated in the laboratory are properly collected and disposed for recycling. NSS regularly conducts Campus Cleaning Drives, and help to collect segregate waste after college events. In addition, students and teachers clean the campus and their classrooms on a regular basis – every Friday 3.15 to 4.00pm. Display Boards are used to sensitize students on Green Protocol. Liquid waste management. The liquid waste generated in the campus include Sewage, Laboratory, Laundry, Hostel and Canteen effluent waste Page 133/16208-06-2022 06:01:13

INSTITUTIONAL BEST PRACTICES

1. “Share-and-Care”

Sree Narayana College Kollam adopted Share and Care as one of its best practice with the objectives to provide mid-day meal to a minimum of 50 most needy students per day , to give financial assistance to socially and economically backward students and staff to meet medical exigencies, to facilitate possible welfare measures for deserving meritorious students who live on the edge of life and to extend emotional support and achievement motivation to the students who hail from the lower strata of society. Majority of the students who are admitted in our college are mostly from underprivileged families of socially and economically backward areas. On close observation of the impoverished daily living conditions of these students, we found that they encounter untold difficulties to meet the basic needs of their life; the prominent being the mid-day meal. Considering the pathetic situation, all the faculties of our college unanimously decided to pool in a required amount in order to offer a helping hand. In this circumstance, the practice named “Share-and-Care” came into effect in our college. In addition, a thought arose to increase the fund so as to help teaching and non teaching staff in some emergency situations. Thereon “Share-and-Care” started its functioning as a joint initiative of the teaching and nonteaching staff in association with the alumni.

In the academic year 2021-22 an amount of 5,63,664/ was utilized for the practice

2. Student Palliative Care Initiative

Student Palliative Care (SPC) is one among the best practices of our college. Palliative care not only involves physical care but also it is a vital relationship that is needed for the well being of the patient. The support, care and time are the three precious things that we can dedicate in this service. Addressing the barriers, offering medical as well as mental support, making them feel better are main goals of student palliative unit of our college. The love, happiness and blessings through the words of each patient and their family members we visit really strengthen our works.

Palliative care unit in our college initiatives give volunteers an open platform to meet the suffering ones, know about their hardships and they will learn to be passionate to such peoples. In the current year we undertook SPC activities at the village , Beach East Kollam. The residents of the ward are mainly fisherman community and there is a vast civic who needs support, care and guidance. The main reason for choosing this area as our workspace is because the fishermen people are basically marginalized Community. Lack of awareness, ignorance of medical facilities, lack of knowledge about various govt. schemes, unhygienic living

conditions, poor financially background are the major set backs that these people experiences. Because of these hinderance, lots of palliative cases are there in this community.

“EDAM”- STUDENT PALLIATIVE CARE UNIT OF NSS, SN COLLEGE, KOLLAM

Student Palliative Care is one among the best practice of Sree Narayana College Kollam. The name ‘EDAM’ implies a place in the mind for all those who needs a good quality life despite of hardships they are facing in the lives due to health conditions. Student palliative unit gives younger minds to understand the real life of people that is entirely different from the colours of campus. Human values such as love, sharing, and kindness nature in the minds of students. Understand the importance of health and value of money SPC is one of the much appreciated initiative of NSS Unit of the college.

On analysis of survey we included 20 more patients in our list. Hence our service extended to 77 patients in this year. This year palliative work commenced in the month of August. It took one month for the data collection and survey analysis to complete. The field work commenced in the month of September. As there were more patients who need our help, we adopted LED Bulb Assembling as a means of fund raising project in association with Department of Physics. The so assembled LED bulbs were sold among the public and the amount so collected were utilized to carry out the activities. The money got through palliative collection box placed at the campus were also used for the activities
