

# **CAREER GUIDANCE AND COUNSELING CELL SREE NARAYANA COLLEGE, KOLLAM**

## **Annual Report on Activities of Career Guidance and Counseling Cell during the Academic Year 2016-17**

Career Guidance and Counseling Centre is started with the aim of organizing seminars, workshops and training programs for the development of student community and provide campus recruitment facilities. The centre also provides counseling services to student's personal and academic problems.

During the beginning of this academic year, the centre collected a detailed bio data from Final Year Degree and Post Graduate students. After collecting the data bank a personal interview was done to assess their personality, various skills, interests, etc and proper guidance were given on individual basis. Those with some problems in areas such as family, personal and academic were given individual counseling.

- **Career Profile Mapping** was conducted on 18 October 2016 in association with Guiders' Career Consultancy which helps students to identify their talents and choose career lines accordingly.
- Conducted **Campus Recruitment Programme** for final year PG students for Azim Premji Foundation on Saturday 21 January 2017 and Five Students were shortlisted for the Final Interview.
- Organized a **Civil Service Orientation Class and Aptitude test** for civil service aspirants in association with ALS IAS, Kollam Branch on 20 February 2017.
- Organized a **Career Guidance Programme for Science Students** in association with Department of Physics on 23 February 2017 at G2 Seminar Hall. Dr. R. Raveendran, Former Principal, SN College, Varkala was the resource person.
- Organized two day **training programme on Resume preparation and Interview skills and GD** on 12 and 13 March 2017 as part of the campus recruitment of Federal Bank. Sri. Shinu Balachandran and Sri. Rajesh, Faculty Members of Career Launching, Trivandrum were the Resource Persons.
- Organized a **Career Guidance Programme for Science, Arts and Commerce Students** in association with Department of Commerce and Malayala Manorama on 15 March 2017.

- Additional Skill Acquisition Programme (ASAP) introduced by Higher Education Council is a platform for developing their softskills as well to become trainer in softskill. This Academic year, three were students selected as mentors of ASAP for the training programme.

### **Counseling Cell**

The Cell provided psychological counseling services to students referred by their Tutors. This year 22 students and 10 public persons utilized the services of the centre. The various problems reported were relationship problems, adjustment problems and academic problems.
