

## **Annual report of Career Guidance and Placement Cell (2020-21)**

### **Co-ordinator:**

Dr. Vinod B.S, Department of Biochemistry

### **Members:**

Sri. Anil Raj V., Department of Commerce

Sri. Arun Prasad, Department of English

Dr. Praveen Prakash, Department of Chemistry

Sri. Vishnu Raj R, Department of Physical Education

Even though various academic activities have been hampered by the Corona Pandemic, Career Guidance and Placement cell conducted various webinars for students. In this academic a new unique initiative was started by the career guidance and placement cell of SN College, Kollam as part of the student outreach programme in association with IQAC. This Webinar Series was entitled “**Lend your ears to the words of experienced reality (LEER): An Orientation Webinar Series for Young Minds**” with the aim of orienting current degree students for a bright future based on the experience of well-placed alumni students of this institution.

l) On this topic the first webinar was conducted on 01/08/2020 entitled “**Future Prospects for Life Science Graduates’ (LEER-01)**”. The resource persons for this webinar were:

- a) Ms. Parvathy S (B.Sc. Zoology, SNC Kollam 2016 batch)  
Studying, MSc Genomic Science at the Central University of Kerala
- b) Ms. Amrutha A S (B.Sc. Zoology, SNC Kollam 2016 batch)  
Doing, Integrated PhD in Biological sciences, at Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bangalore
- c) Mr. Jereme Thampan (B.Sc. Botany, SNC Kollam 2016 batch)  
Studying, M.Sc. Biotechnology at IIT Roorkee

These former students discussed the chances of higher studies in Lifesciences in various institutions of national importance and gave the students an idea on how to prepare for the various entrance exams to these centres

**LEER SERIES -2**

III) The third programme in the LEER Series was organized on 29/08/2020 at 11 am in association with the Department of Physics. The topic of the programme was **'FUTURE PROSPECTS FOR PHYSICS GRADUATES'** (LEER-03), The resource persons for this webinar were: **Sarangi Suresh** studying **M.Sc. Physics** at **IIT, Madras** and **Ashik H**, doing his **M.Sc. Physics** at **University Of Hyderabad**. They discussed in detail about the career opportunities after Physics graduation and the methods they adopted to study for entrance exams in the national centres of higher studies. It was really helpful especially to the final year students who were unaware of their opportunities and chances to pursue higher studies
